This wasn't Antifa... These were pissed off Trump supporters! But by storming the Capitol building they delayed the takeover!

I mean think about it Pence had it all planned out. Corrupt politicians already in place to seal the deal for Biden? But yet because of this invasion by Trump supporters they were forced to retreat!

So this will give our Patriot friends in office a chance to properly prepare...

▼ Antifa could never have dreamed of taking the Capital and forcing congress to flee with gas masks. ANTIFA CANT DO THAT, WE CAN.

▼ I said to my boss when the breach happened that we are no better than the left. He reminded me how pissed off people are and I have to agree. WE ARE PISSED OFF. Some bitch on MSM calling this an insurrection.

▼ Many of the people that had a big presence can be directly linked to blm/antifa.

▼ The idea circulating here that it's not our fault though is ridiculous. People did that. They caused a the Capitol building. People were escorted out. The building was abandoned.

It wasn't us, it was antifa! That's childish.
